MASTER'S PROGRAM  Begins June 2017

PROGRAM SUMMARY

The UBC Masters in High Performance Coaching and Technical Leadership is a three year, 30 credit specialized program for experienced sport coaches and technical leaders who are looking to advance in their careers.

The program is composed of a one year graduate certificate followed by masters course work. Year one (June) and two (August) begin with a week long residential institute held at UBC Vancouver. The remaining schedule consists of online teaching methods that are designed to facilitate the participation of candidates from across Canada and around the world.

"A first-class program with immediate benefits to my coaching."

YEAR 1 GRADUATE CERTIFICATE COURSES

GAP ANALYSIS (KIN 515) Using analytics to: obtain and describe data to create sport and athlete profiles; determine optimal programming decisions for athletes based on progression pathway and gold medal profile; apply research methods and scientific inquiry to performance analysis.

PERFORMANCE PLANNING (KIN 585) Using information obtained from sport profile and gap analysis, to plan and design high performance programs that enable athlete progression related to athlete pathway. The focus will be on quadrennial, annual, mesocycle and microcycle planning to integrate key factors that will impact athlete performance and progression.

"This program helps carve a path to creative solutions."

COACHING EFFECTIVENESS (KIN 586) Investigate the relationship between athlete performance and coaching intervention strategies to ensure enhanced athlete development and skill acquisition. Examine structure and function of practice and feedback strategies to enable a resilient and self regulated athlete and coach capable of creating podium performance.

DIRECTED FIELD STUDIES: PRACTICUM (KIN 598) Application of concepts and topics related to coach and leader practices through mentorship, and critical reflection. Practicum opportunities in coach/leader’s current context or unique project in High Performance sport will be facilitated by Canadian Sport Institute Pacific by liaising with candidate’s National Sport Organization.

PROGRAM DESIGN & COURSE STRUCTURE

F2F (FACE-TO-FACE): The residential institute, 10 hours per course. First year in June with second year occurring during the following August.

WEB: Online webinars that are both synchronous (live and recorded) and asynchronous (accessed at anytime) to fit most coaching schedules.

RESIDENTIAL INSTITUTE

UBC VANCOUVER

The week-long residential institute is a fantastic way to meet and network with like minded coaches and leaders in high performance sport while enjoying the BC West Coast experience. Dates and details for the residential institute and on-campus accommodation will be announced at a later date.

PROGRAM COST

Tuition fees are charged per course. Below are the 2016/17 tuition fees. We anticipate a 2% increase for 2017/18*:
