NOTES:

1 - Students planning to apply to professional programs are strongly encouraged to determine the necessary undergraduate requirements that are available in other faculties such as Science and Arts.

2 - Students in Kinesiology Interdisciplinary Studies stream must complete a minimum of 18 credits of non-KIN electives, of which at least 12 credits must be at the 300/400 level.

3 - All students must complete 30 credits of KIN at the 300/400 level.

4 - All students must complete 48 credits at the 300/400-level.
