

**UNIVERSITY OF BRITISH COLUMBIA
SCHOOL OF KINESIOLOGY
APPLICATION FOR NUTRITIONAL SCIENCE MINOR PROGRAM**

Please read this information before completing the application form.

- ◆ Enrollment in this program is strictly limited to 25 students and an application is necessary.
- ◆ Who is eligible?
 - Interested students should apply for this program in Term 2 of their second year and begin the FNH courses in their third year. Applicants must be eligible for Third year standing in Kinesiology.
- ◆ Selection will be based on a cumulative grade point average. The minimum accumulated average is 68% in the previous two years, and **must have completed FNH 250**, however, meeting the stated minimum average does not guarantee admission into this program.
- ◆ The FNH Minor Program consists of the following courses:
 - FNH 350 □ FNH 351
 - 12 credits from FNH 301, 355, 370, 398, 402, 451, 455, 471, 473, 474, 477, and 490
- ◆ Applicants will be informed by email in mid-June if they have been selected for the minor program, or placed on a waiting list, or have not qualified for either the minor program or the waiting list.
- ◆ Before you apply, ensure that your 3rd and 4th year program requirements do not conflict with the minor.
- ◆ **Application deadline is May 16th, 3:00pm at the KIN Advising Office**
