

**UNIVERSITY OF BRITISH COLUMBIA**  
**SCHOOL OF KINESIOLOGY**  
**BKIN MINOR IN NUTRITIONAL SCIENCE PROGRAM – INFORMATION SHEET**

- Students wanting a foundation in nutrition are encouraged to consider the Minor in Nutritional Science. Students must be eligible for third-year standing with a cumulative average of at least 68% in the previous two years, and **must have completed FNH 250**. Enrolment in this program is strictly limited. Application forms will be available from April 15 to May 15 only and can be picked up from the Kinesiology Advising Office during office hours or found on the KIN website. Completed applications must be submitted no later than 3:00pm on May 15<sup>th</sup>.
- The program will consist of:
  - FNH 350 (3)             FNH 351 (3)
  - 12 credits from FNH 301, 355, 370, 371, 398, 402, 451, 455, 473, 474, 477, and 490
- Students who pursue a Minor in Nutritional Science should be aware of the prerequisites for many of the upper-level courses in Food, Nutrition and Health. Students may encounter difficulty fitting the FNH courses into their program timetable; careful planning is essential.
- Students who wish to pursue further studies in the Faculty of Education should be aware that courses which are acceptable for a Nutritional Science Minor may not necessarily meet the requirements for a teaching concentration in the Faculty of Education. Students planning to enter the Teacher Education Program in the Faculty of Education need to review the detailed admission requirements at <http://teach.educ.ubc.ca/admissions/academic-requirements/>. Students planning to apply for the secondary option must prepare a second teaching field.
- Before you apply, ensure that your 3<sup>rd</sup> and 4<sup>th</sup> year program requirements do not conflict with the Minor.
- Note that FNH 250 (3 credits) and the upper-level 18 credits required for the Minor **must be percentage-graded**, and **cannot be taken as Credit/D/Fail**.
- Upon successful completion of the Minor program, the notation of “Minor in Nutritional Science” will be added to the student’s transcript.
- **Application deadline is May 15<sup>th</sup> by 3:00pm to the Kinesiology Advising Office.**

Any further questions may be directed to the KIN Advising Office  
by phone at 604.822.4512 or by e-mail at [kin.advising@ubc.ca](mailto:kin.advising@ubc.ca).
