

Dear Dylan and UBC Active Kids coaches,

Thank you kindly for providing me with this valuable learning opportunity with UBC Active Kids. I really enjoyed working with the coaches, who made me feel a part of the team. I will take what I learned through this fieldwork placement about physical education in the community with me in the future. It is without doubt that UBC Active Kids is a fantastic program for people in the community, students, and the School of Kinesiology as a whole.

It was a pleasure and I hope that UBC Active Kids continues to provide kinesiology students with valuable teaching and learning opportunities in the future.

Sincerely,

Leona Chan
