STUDY ABROAD AT UBC SCHOOL OF KINESIOLOGY (SAK)

In 2019, the UBC School of Kinesiology was ranked No. 3 in the world and No. 1 in Canada & North America in the QS ranking for sports-related programs.

A Kinesiology degree can open the doors to working as a professional coach, to working in public policy, research, or community sports programs – to name a few. Come study at the University of British Columbia (UBC) - one of the top-ranked Kinesiology programs in the world, and learn from leading experts in the field.

UBC is a global centre for teaching, learning, and research, consistently ranked among the top 20 public universities in the world and recently recognized as North America's most international university.

Join students from across Canada and around the globe for a transformative undergraduate experience in the beautiful surroundings of Vancouver’s snow-capped mountains and Pacific Ocean!

The Study Abroad at UBC KIN (SAK) is a flexible, short-term program for visiting students. Students can choose to start in either September 2020 or January 2021, and enroll for 4, 6*, 8, 10, 12 months. Upon successful completion of eligible courses, you will receive UBC course credits and an internationally recognized transcript.

*The 6-month option is only available for students who start in January

HIGHLIGHTS
- Flexible duration (minimum 4 months to a maximum of 1 year)
- Flexible start (either in September or January)
- Offers knowledge of key frameworks in Kinesiology with a Canadian perspective
- Tailored to include courses that fit with the vision of our partners
- English Language Institution available prior to coursework
