KIN 586 Coaching Effectiveness

ACKNOWLEDGEMENT

UBC’s Point Grey Campus is located on the traditional, ancestral, and unceded territory of the xʷməθkʷəy̓əm (Musqueam) people. The land it is situated on has always been a place of learning for the Musqueam people, who for millennia have passed on in their culture, history, and traditions from one generation to the next on this site.

**LEARNING OUTCOMES**

- enhance self-awareness and reflect on the importance of core values
- appreciate the coaching role
- explore coaching ethics and safe sport expectations
- appreciate the contributions of successful coaches to modern day coaching
- develop a personal coaching philosophy
- better understand key coaching functions and core coaching skills
- explore program management and athlete development models
- better understand the psychological and social development of athletes
- appreciate and understand the importance of team culture and group dynamics, autonomy and feedback
- better understand the physical development of athletes and motor skills
- explore technical and tactical development of athletes
- appreciate the use of technology to enhance learning
- consider career decision making in coaching and continuing education in coaching

**LEARNING ACTIVITIES**

Each week, students will be assigned a set of readings and/or videos, podcasts. These materials are intended to provide a background overview of the themes and concepts for the course and must be read in preparation for class discussions. Students are expected to participate in roundtable discussions/activities and provide personal examples based on their sport experience.
KIN 586 Coaching Effectiveness

LEARNING MATERIALS

Required Textbook:  Sport Coaches’ Handbook
UBC Bookstore (https://shop.bookstore.ubc.ca/courselistbuilder.aspx )
Chapters/Indigo (not available in stores)
Estimated cost $54

On-line learning management system: Canvas
Readings consist of book chapters and research articles from related fields.

ASSESSMENTS OF LEARNING

An overview of assignments: additional information, expectations and due dates for each assignment will be provided through the ASSIGNMENTS link in Canvas.

A minimum mark of 68% must be obtained in all courses taken by a student enrolled in a doctoral program.

The minimum passing grade in any course taken by a student enrolled in a master's program is 60%. However, only 6 credits of courses with grades in the C to C+ range (60-67%) may be counted towards a master's program. For all other courses, a minimum of 68% must be obtained.

Academic progress and grading practices are outlined on G+PS policies and procedures website.

UNIVERSITY POLICIES

UBC provides resources to support student learning and to maintain healthy lifestyles but recognizes that sometimes crises arise and so there are additional resources to access including those for survivors of sexual violence. UBC values respect for the person and ideas of all members of the academic community. Harassment and discrimination are not tolerated nor is suppression of academic freedom. UBC provides appropriate accommodation for students with disabilities and for religious observances. UBC values academic honesty and students are expected to acknowledge the ideas generated by others and to uphold the highest academic standards in all of their actions.

Details of the policies and how to access support are available on the UBC Senate website.
LEARNING ANALYTICS

Learning analytics includes the collection and analysis of data about learners to improve teaching and learning. This course will be using Canvas to capture data about your activity and provide information that can be used to improve the quality of teaching and learning. In this course, analytics data will:

- View overall class progress
- Track your progress in order to provide you with personalized feedback
- Review statistics on course content being accessed to support improvements in the course
- Track participation in discussion forums
- Assess your participation in the course

UBC POLICY ON PLAGIARISM

All students should be aware of and follow UBC’s Guidelines regarding Plagiarism. Please read and familiarize yourself with these guidelines. These policies are taken seriously by course instructors and program administrators.

POLICY ON LATE ASSIGNMENTS

Students are required to notify instructors at least 24 hours in advance if they are unable to meet deadlines for assignments. Students must then negotiate with the instructor a reasonable deadline for completion of course work.

ETHICAL AND PROFESSIONAL CONDUCT

Students are expected to adhere to standards of professional practice and ethics in their interactions with faculty, peers, and the public.

UNIVERSITY POLICIES

UBC provides resources to support student learning and to maintain healthy lifestyles but recognizes that sometimes crises arise and so there are additional resources to access including those for survivors of sexual violence. UBC values respect for the person and ideas of all members of the academic community. Harassment and discrimination are not tolerated nor is suppression of academic freedom. UBC provides appropriate accommodation for students with disabilities and for religious observances. UBC values academic honesty and students are expected to acknowledge the ideas generated by others and to uphold the highest academic standards in all of their actions. Details of the policies and how to access support are available on the UBC Senate website and Discrimination policy. For student accommodations, please see Access and Diversity.

ACADEMIC INTEGRITY

Students are expected to follow UBC policies for academic integrity and academic misconduct, which includes practices around plagiarism, referencing and citation, and copyright. For more see, UBC’s Learning Commons Academic Integrity resources and graduate student misconduct in Graduate and Postdoctoral Studies.
POLICY ON TEXT-MATCHING SOFTWARE
UBC subscribes to Turnitin, an online system that compares written material with the Web and with other material submitted to its database. Faculty, staff and students can upload submissions and check for duplication of material in other sources and possible plagiarism.

ACCESSIBILITY
If you have any challenges accessing materials that will impact your success in this course, UBC’s Centre for Accessibility can support your needs by providing appropriate accommodations to support you.
• Web: UBC’s Centre for Accessibility website
• Email: accessibility@ubc.ca
