New to the program? Scan here to fill out our online Get Active Questionnaire. After we receive the Questionnaire, we will get in touch to schedule a Fitness Assessment. An initial Fitness Assessment is required prior to joining the program. The Fitness Assessment is required to be completed every 4 to 12 months pending program. Visit our website for more information:

ABOUT US

BodyWorks is an Outreach Program of the UBC School of Kinesiology. Our adult-oriented facility incorporates evidence-based practices into our programs and services, in addition to facilitating ongoing education and training to UBC undergraduate and graduate students. Our student-based staffing and non-competitive classes create an enriching and supportive environment for all participants and the student community.

POLICIES

All clients are responsible for knowing and adhering to all BodyWorks policies. Please visit our website to learn more about waivers, cancellations, withdrawals, missed classes, refunds and more.

PRIVATE TRAINING

Our certified Personal Trainers offer fitness assessments & individualized, evidence-based programs to help you meet your fitness goals. Working with a Personal Trainer can accelerate your progress and our semi-private and small group training sessions make private training more fun and accessible.
